ACCADEMIA TEMPLARE - TEMPLAR ACADEMY

THE TEMPLAR ETHICS

Stelio W. Venceslai

BOOK N° 3/2014

Stelio W. Venceslai. He was born in Bologna and he lives in Rome. He graduated in Law, auditor, professor of economic policy, has spent most of his professional career as part of the State Administration and as General Director of the International Agency for Informatics. Currently he is interested in historical and philosophical research, with particular reference to the Middle Ages. Since 1997 he is G. Prior of Italy and directs the most important Italian and European Templar group, he is a founding member of the *Ordo Supremus Militaris Templi Hierosolymitani* - OSMTH. He also is a Member of Angelica Constantine Academy and honorary member of the Academy of Sciences (Institute of Archaeology) of the Mongolian Republic. Author of numerous articles and essays on economic and Templar, in 2001 he published a Templar *Bibliography*, in 560 pages, in five languages, with extensive comments on the history and the Rule of the ancient Knights. In 2012 he published a book entitled: *The Templar utopia*, recently translated into the Croatian language.
